

# Wanna Play **BIG**?

Can you generate an **extra \$500,000** in gross profit next year, not just 80,000\$?

Here is how.

## Meet Bob & Bill, two OCS businessmen.

**Bob** takes a big leap and leases 50 brewers.

Hey Bob!

**Bill** hates paying interests. He sticks with buying 2 brewers.

## One Month Later

**Bob** is having the time of his life.

Buy equipment?  
Fix the roof?

While **Bill** is struggling with a big dilemma.

## At the End of the Year

**Bob** and **Bill** are both taking well deserved vacations... but in a different league.

Thanks Bob

Pleasure Bill!

# Why Pay for Equipment When It Can **Pay for Itself?**

Lease with
